

MAXIGEAR TECH EP-X 90

Premium Quality Automotive Gear Oil

Definition

MAXIGEAR Tech EP-X 90 is a premium quality automotive gear oil specially developed for differentials.

Places of Use

MAXIGEAR Tech EP-X 90 is suitable for use in all differentials requiring API GL-5 performance levels, especially Mercedes-Benz and ZF.

Features and Benefits

- It prevents the wear of parts and components.
- Provides long oil change interval, protects components even under sudden and overload conditions.
- It prevents oil thickening, deposit formation and formation of harmful acidic chemicals.
- Protects equipment with its heat transfer efficiency and anti-leakage feature.
- It prevents thinning of the film layer and provides high performance even at very low temperatures.
- Protects parts and components even in long periods of use and at very low temperatures.
